In addition to the scholarships awarded, The Wisdom Family Foundation donated money to the U-46 Educational Foundation for the Project Access program. Project Access works to ensure that underprivileged children have equal access to educational opportunities. The Wisdom Family Foundation's goal was to provide financial support to organizations and programs that assist in the growth and overall well being of children and families in the greater Elgin, Illinois area. The Wisdom Foundation scholarship program offers students the opportunity to earn scholarships to use to further their education. The scholarship program is a sustainable initiative as it targets students who have faced and overcome extraordinary challenges and encourages their continued commitment to education.

The Wisdom Family Foundation board members reviewed the applications and were very impressed with this year's recipients.
